### preferred type:

"Lubricated. It's easier to have sex with lubrication! I'm not opposed to using anything else but I don't think there's a real difference."  
**problems past:** "I guess I used ribbed once and those were weird."

**price to pay:** "I don't really purchase condoms. I get them from free clinics or where they're given out. I don't think I've ever bought condoms but..."

## A His And Hers Guide

By Terra Cooney

There's definitely safety in condoms but as an added bonus, these things can be tons of fun! If you've been using whatever he's got on him, it may be time to open your eyes to the world of condoms available. We are the ones on the receiving end, so shouldn't we have some say in the type of prophylactic our man is packing? With this detailed survey and the options *CW* presents, you're sure to meet your man in the middle and find the perfect sperm-stopping solution.

## FOR HIS PLEASURE

If you are satisfied with the motion of your man's ocean no matter what kind of sail covers it, maybe you should allow him an added bonus. Of these prophylactics,

**type:** "Lifestyles brand is the easiest to get. All the texture and all that other stuff doesn't really do anything for me. I'm not going to go out and buy ribbed just to give her added pleasure."

**problems past:** "I have had problems trying to get the wrapper open! Another problem was when the condom didn't fit, it was too tight and it just popped off."

**price to pay:** "I don't really buy condoms, but I'll use one if it's there."

## FUN FOR EVERYONE

### Trojan Her Pleasure

Trojan is a name trusted by many, and with this condom's shape you'll fall in lust with it all over again. The roomy head is designed to cause more friction for him, while the ribbed base is an added incentive for you. This condom is available with or without spermicide and goes for roughly \$11.95 per dozen.

### Pleasure Plus

This prophylactic packs a pleasurable pouch, great for you and him. The width provides room for your man's enhanced sensation while the bulb stimulates your hard-to-reach spots. The shaft is not as wide as the tip, ensuring the love glove stays on all night long. Expect to pay a standard \$11.95 per dozen.

### Inspiral

With its unique winding tip, this rubber takes everyone for a ride. Your nerve endings never felt anything like this before, so why not have your man take one for a test-run? Try it for \$12.95 per dozen.

**preferred type:** "I'm just looking for a condom that provides protection and fits him! I've never used colored or flavored condoms but I'm not opposed."

**problems past:** "I've had experiences where the condom is too tight and it's harder for him to perform. That can affect his ability to orgasm."

**price to pay:** "I usually keep a lot of them that I get for free but I'd have no problem spending money on condoms."

**preferred type:** "I like Trojan Her Pleasure because they're comfy and they feel pretty natural. I also like ribbed so I can try to get as much pleasure out of it as I can."

**problems past:** "I've never really had a bad experience, like having a condom break or anything."

**price to pay:** "I've never thought about what I would pay but I do buy in bulk."

**preferred type:** "I like Trojan Her Pleasure because they're comfy and they feel pretty natural. I also like ribbed so I can try to get as much pleasure out of it as I can."

**problems past:** "I've had condoms break and slip off before."

**price to pay:** "I usually have to pick them up because my husband hurries out of the aisle. Paying for them just goes along with sex."
